

CSS High School Expectations

1. Students must transition to their classes on time and remain in their assigned classroom, including study hall, for the duration of the block. Students who are not on the roster of a given class are not permitted to enter the classroom. Teachers will be at the door facilitating transitions, if you need to ask a given teacher a question.
2. No cell phones are allowed in all classes. This includes study hall. When you enter your classroom, your cell phone must be stored or given to the teacher for the duration of the block.
 - a. Infractions for high school cell phone violations are done by classroom. Please note that once your phone is turned in to the front office, an office referral will be given. First offense: The student will be given a verbal warning Second offense: Parent contact Three or more offenses: Front office for parent pick up. Office referral issued.
3. Students are limited to clear liquids and snacks during class.
4. Students are to use the bathroom during transitions or in between the first & last fifteen minutes of a given block. Teachers will not permit students to exit the classroom, unless it is an emergency, during the first and last 15 minutes of a given block. Students must have a pass at all times except when transitioning from class to class.
5. Study hall is a time to complete work, read independently, study for exams, etc. Students are not permitted to use their cell phones during study hall. Study hall teachers will set clear expectations about what work should be completed during study hall. Please make sure you have an independent reading book during study hall. Study hall teachers will play music for study hall, at their discretion. Students are not permitted to use their cell phones to play music.
6. All students adhere to the dress code. See student handbook for full dress code.
7. Students are required to maintain professional and appropriate interactions on school grounds. Public displays of affection are limited to holding hands.
